

REMARKS

This Second Preliminary Amendment is submitted to correct an error that was introduced in the first Preliminary Amendment. Specifically, in the first preliminary amendment, claims 8 and 13 were amended to change “organoaluminium” (in the original claims) to “alumi-
5 num”. The change should have been from “organoaluminium” to “organoaluminum.” This Second Preliminary Amendment corrects this inadvertent error. No new matter has been introduced, and it is not believed that the scope or meaning of the claims has been changed from the originally-filed claims.

Entry of this Second Preliminary Amendment is respectfully requested, and an expeditious examination on the merits is earnestly solicited.

Respectfully submitted,
